# SPRING BULLETIN 1940

**A**S USUAL, our Gladiolus bulbs are guaranteed clean, healthy and true to name; anything proving otherwise will be replaced. However, the results you will obtain are so entirely up to you that we cannot hold ourselves responsible for same. Carrying charges prepaid on all orders amounting to \$1.00 or over. Please send cash with order. Orders accepted subject to stock unsold.

It has always been our custom to fill all orders generously. We always give extra count, and on orders for named kinds, bulbs of other kinds are always added. We shall be glad to list you among our customers.

Visitors are welcome at all times, but it is our custom to transact no business on Sunday.

Let us give you a quotation on larger orders; also on smaller sizes in quantities not offered in the list. Special quotations net.

## THrips

Thrips can be controlled in the garden by spraying with any of the good sprays on the market, or by dusting. We had complete control, last year, by dusting with undiluted arsenate of calcium. If a dust is used, it should be applied either late in the evening or early in the morning.

We keep a little naphthalene among the bulbs at all times, while in storage.

## Hardy Chrysanthemums

If you have not tried any of the newer types of garden Mums, we would like to say that you have a treat in store waiting for you. The new ones bring new types, new colors and increased hardiness to your gardens. No flower can take the place of Chrysanthemums in the fall when they supply great armfuls of fragrant, long-lasting blooms. The length of blooming season has also been increased, so that you may have flowers from early September till frost. May we suggest that you plant some this year.

### List of Varieties

**Astrid.** A new hybrid of the garden chrysanthemum with chrysanthemum Arcticum. The flowers are single of pale pink color. The plant is of medium height, spreading as much as three feet, with glossy, deep green foliage.

**Bronze Cushion.** A member of the Azaleamum family, low growing with wide spread. The flowers are small of deep bronzy salmon color.

**Caliph.** Deep ox-blood red, of medium size. Plants 2½ feet high. Blooms in mid-season. Ea., 35c; 10 for \$3.00.

**Ember.** Flowers full double, 2½ inches across, of brilliant bronze color. Plant 2½ feet in height. Blooms in mid-October. Ea., 25c; 10 for \$2.25.

**Gold Finch.** Rich golden yellow pom-pom, 1 inch in diameter. Plant tall. Very frost resistant. Mid-season.

**Irene.** Pure white pom-pom. Medium height. Mid-season.

**Jean Cumming.** Pure white, large, double flower. Early.

**Jean Treadway.** Pink, shading deeper in center. Medium size. Early.

**Lovelight.** Large pale pink, semi-double flowers. Early. Tall plant.

**Mandarin.** The color is an iridescent blend of salmon, copper and bronzy gold. Flowers double, 2½ inches across. Plants 2 feet high. Ea., 35c; 10 for \$3.00.

**Mrs. S. P. Rotan.** Flower perfectly double of brilliant golden yellow shading to deep orange. Over 3 inches across, very free-flowering. New and valuable.

**October Dawn.** Softest pink, full double flowers 3 inches across. Plant upright of medium height. Blooms in mid-October.

**Ohio Gold.** Large, golden yellow flower, full double. Blooms in September.

**Pink Cushion.** The original of the Azaleamum type. Low, wide-spreading plant covered with pink flowers. Blooms from very early to late.

**Rapture.** Double flowers of deep orange color, suffused with bronze. Medium sized blooms on good plant. Very popular.

**Red Hussar.** Semi-double flowers of bright scarlet color on a bushy compact plant.

**Rodell.** Light yellow pom-pom. Plant medium height.
